

4793 JONES, Alan. Samuel Miklos Stern and Andalusian poetry. *Journal of Modern Jewish Studies*, 20 iv (2021) pp. 454-461. Argues that Stern was the pioneer of the modern study of both Arabic and Hebrew *muwashshahāt*. "This paper gives an overview of Stern's ground-breaking contributions to the study of Andalusian poetry, from his entry into the subject while a student at the Hebrew University of Jerusalem, through his field-shaping articles in the journal *al-Andalus*, to his remarkable paper on 'Literary connections between the Islamic World and Europe in the Early Middle Ages' at the Spoleto conference of 1964."
